

NEW online ordering with curbside pickup

You can now place an order for your pantry food online, ahead of time, and select a specific time to pick up your groceries.

- **This is a good option for you if:**
 - you have an email address and internet.
 - you have limited time. You can be in and out of the driveway, with all your food, in less than 15 minutes.
 - you would prefer to send someone else to pick up your groceries. You make your selections from home, and your friend will have a quick pick up process.
- **This is not a good option for you if:**
 - you prefer interacting with a volunteer to help you make selections.
 - you want the maximum number of options from which to select. Items that we have in short supply may not be listed on the online pantry.
- If you would like to try this new option, tell us when you check in at the window that you want to sign up, or call us: 413-586-6564, or email curbside@NorthamptonSurvival.org. We will email you a link to access the online pantry and give you more information about how it works.
